Professional & Business Women

*~Enhancing women's lives personally
and professionally~*

Our Chapter was chartered in 2006, under Business and Professional Women/USA, which is the first among women's organizations to formally endorse the Equal Rights Amendment and has led the drive for ratification ever since.

Heart of the Ozarks Chapter, is a friendly, high-energy group and unique in the diversity of business owners and professionals we represent. Members not only forge strong business connections but trusting and supportive personal relationships as well.

When you join PBW, you join an organization that demonstrates the true strength and diversity of America's women in the workplace. Members represent every age group, race, religion, political and socio-economic background.

Our local chapter provides non-traditional scholarships to women in the Lake area, as well as supports local charities. Your membership dues and support of our annual fundraiser, QuarterMania, makes this possible.
